# Why should you choose the Spirit PPO Plan?

In addition to paying lower monthly premiums, the Spirit PPO plan can help reduce your out-of-pocket costs. Network providers have contracted fees (MAC/maximum allowable charge) for each service rendered as the basis for payment under the Spirit Dental Plan. This amount is typically significantly less than the amount which could be charged by an out-of-network dentist. These network providers are prohibited (by contract with the network) from charging you the difference between their typical fee and the amount contracted with the network.

Dentists not participating in the network are not subject to the contracted amounts and are permitted to charge any fee for services they provide. This may lead to greater out-of-pocket costs for you and your family members. The sample comparison chart below will give you an idea of how you can save money by selecting one of Spirit Dental's network plans and visiting an in-network provider for services. It compares the charges between visiting in-network and out-of-network dentists.

## NETWORK SAVINGS EXAMPLE

**Your Dentist says you need a Crown, which is a Major Service...**

Network Fee **\$685.00** | Usual & Customary Fee **\$750.00** | Dentist's Usual Fee **\$985.00**

### Spirit PPO

When you receive care from a participating network dentist

Dentist's Usual Fee	<b>\$985.00</b>
Network Fee	<b>\$685.00</b>
<b>Your Plan Pays</b>	
50% x \$685 Network Fee	<b>- \$342.50</b>
Your Out-of-Pocket Cost	<b>\$342.50</b>

### Spirit Flex

When you receive care from an out-of-network dentist

Dentist's Usual Fee	<b>\$985.00</b>
UCR Reduced Fee	<b>\$750.00</b>
<b>Your Plan Pays</b>	
50% x \$750 UCR Fee	<b>- \$375.00</b>
Your Out-of-Pocket Cost	<b>\$610.00</b>

**In this example, you save \$267.50 (\$610.00 minus \$342.50) by using a participating network provider.**

Savings from enrolling in the Spirit Network plan depend on various factors, including how often participants visit the dentist and the cost for services rendered.

\*Please note: These examples assume that your deductible has been met.

# Why should you choose the Spirit Flex Plan?

The Flex plans gives you the freedom to use any dentist. Covered dental expenses are based upon 80% of the Usual & Customary (U&C)\* fees - with the added advantage of utilizing a cost savings rider (or PPO Dental Network) for additional savings.

Dentists not participating in the network are not subjected to the contracted amounts and are permitted to charge any fee for services they provide. This may lead to greater out-of-pocket costs for you and your family members.

The sample comparison chart below will give you an idea of how you can save money by selecting the Spirit Dental Flex plan and visiting an in-network provider for services. It compares the charges between visiting in-network and out-of-network dentists.

## General Information

**ELIGIBILITY** | The insurance coverage is available in states where it's approved to anyone age 18 and older who does not have coverage through another Ameritas dental plan. You can request coverage for your dependents; dependent eligibility varies based on state law.

**DEDUCTIBLE AMOUNT** | The deductible is shown in the coverage schedule. The deductible is an amount of covered dental charges incurred by an insured person for which no benefits will be paid.

**PREDETERMINATION OF BENEFITS** | It is recommended that a treatment plan/course of treatment be submitted when the total cost of eligible expenses for any insured is expected to exceed the amount shown on the coverage schedule. This should be submitted to us before the work is started. If actual services submitted do not agree with the treatment plan, or if a treatment plan is not sent in, we will base our payment on treatment consistent with reasonable and customary charges. Predetermination of benefits is not a guarantee of what we will pay. The estimated benefit payment is based on your current eligibility and benefits in effect at the time of the completed service. Submission of other claims or changes in eligibility or this policy may alter final payment.

**TERMINATION OF COVERAGE** | Coverage terminates on the earliest of the following dates: the last day of the month in which you cease to be eligible for coverage; the last day of the month in which your dependent is no longer a dependent, as defined; subject to the Grace Period, the last day of the month for which a premium has been paid by You or on your behalf; or the date the policy ends.

**EFFECTIVE DATE** | When you enroll online your coverage can start as soon as the next day. Do not cancel any other insurance or assume you are insured under this plan until you receive written confirmation. Please note your enrollment may take 4 business days to be processed and accessible through any network providers.

**ELIGIBLE EXPENSES** | Expenses must be incurred while the policy is in force and the person is covered by the policy. To become an eligible expense, the dental services must be performed by: a licensed provider performing dental services within the scope of their license; or a licensed dental hygienist acting under the supervision and direction of a dentist.

**MISSING TOOTH** | If an insured has lost one or more teeth prior to this policy effective date, we will not pay for a prosthetic device that replaces such teeth unless the device also replaces one or more natural teeth lost or extracted while covered under this policy. Replacement of congenitally missing teeth is not covered under your plan unless you are replacing a current fixed bridge or denture. This replacement is subject to contract replacement limits.

\*Plan includes a one-time non-refundable enrollment fee of \$25. This charge will be made at the time of purchase and may appear as a separate transaction from your dental insurance.
